Film Production Guidelines

Failure to comply with these conditions will be in violation of your film permit and may result in revocation of permit.

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Failure to comply with these smoking guidelines may result in a fine.
- MUST adhere to Monitors instructions at all times. Monitor's instructions or judgment may override written guidelines.
- OK to park working trucks along road leading to flight field.
- OK to tie back perennial plants
- OK to trim annuals.
- OK to create a path for the van to go thru the brush.
- OK to bring in dirt to place on the north edge of flight field.
- PMS will inspect the dirt to determine if the dirt can stay or if the company needs to remove it from the park.
- OK to place overturned crashed van off the side of the road.
- OK to base camp and crew park in Woodley Lot 3.
- OK to overflow vehicles into Woodley Lot 2.
- Must park all vehicles legally in the parking lots. May not park on any grass or turf areas.
- Must maintain access in parking lots at all times.
-
- NO vehicles or heavy equipment allowed on turf unless otherwise approved by the Park Film Office.
- MUST remove all self-generated trash. Use of City dumpsters or trashcans is prohibited.
- MUST work around park activities. NO exclusive use of park.
- MAY NOT block service roads, driveways, or parking lot access.
- MAY NOT park in handicap or electric vehicle parking stalls.

NOT A PERMIT

- NO alterations to park property unless otherwise approved by the Park Film Office.
- Company must provide own gate or overnight security as determined by the Park Film Office.
- NO staking or drilling into turf, rocks, trees, or asphalted areas unless approved by Park Film Office.
- MUST use water barrels or sandbags for tent set-up.
- MUST provide own restroom facilities.
- MUST restore alterations or damages to original or better.
- Smoking is only allowed in designated areas specified by a Park Film Monitor or Fire Marshall.
- If no monitor or Fire Marshall is assigned; there will be no smoking with the exception of an actor smoking while performing or a part of the scene.
- The designated smoking area may not be near any patron activity or facility. Large sand or water filled buckets must be placed in this area for disposal of tobacco products.
- The designated area may be revoked or not allowed at all depending on weather and location conditions.

- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The

permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.

- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between parK
- patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
